## **Once all calculations, including the trading interval results and remuneration payout, have been accounted for, what are the final balances**

[PAMM - تعليقات \(0\)](#) - Dan Rikkou - 2026-06-15

.Investor's account balance = 200 USD (initial) + 400 USD (profit) - 80 USD (remuneration) = 520 USD -

.Manager's account balance = 300 USD (initial) + 600 USD (profit) + 80 USD (remuneration) = 980 USD -
