Can I Withdraw to Any Bank Account?

Dan Rikkou - 2026-02-10 - [Comments \(0\)](#) - [Withdrawal](#)

Withdrawals can only be made to **bank accounts in your own name**, in line with regulatory requirements. **Third-party withdrawals are not permitted.**

Please check your **available bank details** in the **Payment Details** section of your Client Area. If your bank is not listed, unusable, or its name has changed, kindly contact our **Support Team** for further assistance via **Live Chat** or email at support@[infinox.com](mailto:support@infinox.com)
