To withdraw your funds, please follow these steps:

1. Log in to your **Client Area** and go to **Funds > Withdraw Funds**.
2. Select your **trading account** and enter the **withdrawal amount**.
3. Click **Continue** and follow the on-screen instructions to complete your request.

Withdrawal requests are processed within 24 business hours, subject to bank or payment processor clearance.

Please note that withdrawals can only be made to accounts in your own name. Third-party withdrawals are not permitted.

If you do not receive your funds after the stated timeframe, please contact our Support Team via Live Chat or email at support@infinox.com for further assistance.
