What Should I Do If I See 'Not Enough Money' When Placing a Trade?

Dan Rikkou - 2026-02-10 - [Comments \(0\)](#) - [General Funding Questions](#)

To resolve this, you can:

- **Deposit additional funds** to increase your available balance, or
- **Increase your leverage**, if available on your account

If you need help adjusting your leverage or have questions about margin requirements, please contact our Support Team via Live Chat or email at support@infinox.com
