Even after registration, trades only reflect once the subscription is Activated.

Step 1 - Activate Subscription

1. In the subscription section, click "Actions" → "Activate."

Step 2 - Verification of "Copy New Positions" Status

1. Choose whether to copy existing positions or only new ones.
2. Click "Activate."

Step 3 - Verification of "Copy New Positions" Status

Ensure the Copy new positions status is enabled.

Important: If this is not enabled, open positions will not be mirrored.
