Are there differences between demo and live accounts?

Dan Rikkou - 2026-02-26 - [Comments \(0\)](#) - [Account Management](#)

□ What is the difference between a Live Account and a Demo Account?

Yes, there are key differences between the two account types:

□ Live Account

- Trades are executed in the **real market**
- Uses **real funds**
- Profits and losses are **real**

□ Demo Account

- Trades are executed in a **virtual trading environment**
- Uses **simulated funds**
- Designed for **practice and strategy testing**
- No financial risk involved

□ Need assistance opening an account?
