## Why Do I Need to Verify My Account?

Dan Rikkou - 2026-02-26 - [Comments \(0\)](#) - [Account Verification](#)

Account verification is required to comply with **AML (Anti-Money Laundering)** and **KYC (Know Your Customer)** regulations.

To complete verification, you must provide:

- **Proof of Identity**
- **Proof of Residence**

Please note that additional documents may be requested at any time as part of regulatory requirements.

Verification is an ongoing process, and you may be required to update expired documents to maintain full account functionality.
