Made a Withdrawal on Friday, It's Sunday, and Still No Funds?

Dan Rikkou - 2026-02-26 - 댓글 (0) - [Processing Time](#)

Withdrawal processing is carried out on **business days only, 24 hours from Monday to Friday.**

If you submit a withdrawal request on **Friday** or outside of business hours, it will be **processed on the next business day (Monday)**. Funds will then be credited according to the processing time of your selected withdrawal method.
