What are the conditions to become an IB partner?

Dan Rikkou - 2026-02-27 - [댓글 \(0\)](#) - [Introducing Broker](#)

Requirements include:

- An active trading account.
- Passing KYC/AML compliance checks.
- Submitting standard documents (proof of ID & address).
- In some cases: a minimum number of referred clients or trading volume.

Local laws may require additional licensing — you must comply with your jurisdiction's regulations.
