What Is the Estimated Withdrawal Timeframe by Method?

Dan Rikkou - 2026-02-26 - [댓글 \(0\)](#) - [Processing Time](#)

Withdrawal processing times vary depending on the selected payment method:

- **Cryptocurrency:** Same day (on working days)
- **eWallet:** Same day (on working days)
- **Local Bank Transfer:** 1-3 business days
- **Bank Wire Transfer:** 2-5 business days
- **Credit / Debit Cards:** 2-10 business days

Note:

Processing times are calculated in business days and may vary depending on your bank or payment provider.

Withdrawal processing may also be delayed during peak periods due to higher request volumes and internal processing queues.

If you have any questions or experience delays beyond this timeframe, please contact your Account Manager or our Support Team via Live Chat or email at support@infinox.com
