You can request to become an IB with INFINOX by:

1. Log in to your INFINOX account.
2. From the left side menu, scroll to the last part of the menu.
3. Click "Request to become an IB / Affiliate".
4. From the dropdown, choose IB.
5. Fill the required information and click Continue.
6. Complete the steps and submit your application.

Alternatively, you can apply via the website <https://www.infinoxpartners.com/en/registration/partner-application/>

Once approved, you'll receive an IB account and referral link.
