Can I Make Deposits Out of Business Hours?

Dan Rikkou - 2026-02-26 - [Comments \(0\)](#) - [Deposit](#)

Yes. You can make deposits **at any time**, including outside of business hours.

Please note that during **weekends or public holidays**, deposit **verification or processing may be delayed** and will resume on the next business day.

Note: If you do not receive the funds within the expected timeframe, kindly provide us with your **proof of deposit** so we can conduct further investigation.
