## Do You Accept Third-Party Deposits?

Dan Rikkou - 2026-02-10 - [Comments \(0\)](#) - [Deposit](#)

No. **Third-party deposits are not accepted.** Any deposits made from a third party may result in **account termination**, in accordance with the Client Agreement.

If you have **accidentally transferred funds from a third party**, please contact us **immediately**. To process the refund, you may be required to provide:

1. **Refund details** that match the third-party sender
2. **Proof of deposit**
