Use the 'Reset Balance' option in your Client Area. To add funds to your demo account, please follow these steps:

1. Log in to your **Client Area**.
2. Click "**Account Overview**."
3. Under "**Demo Account**," locate the demo trading account you would like to fund and click "**View**."
4. Click "**Add Demo Funds**."

Your demo balance will be updated accordingly. If you need assistance, please contact our Support Team via Live Chat or email at support@infinox.com
