## How do I close my trading account or entire profile?

Dan Rikkou - 2026-02-26 - [Comments \(0\)](#) - [Account Management](#)

To close your trading account or entire profile, please submit a request via your **Client Area**.

Before requesting closure, please ensure that:

- You have **withdrawn all available funds**, or
- Transferred any remaining balance to another one of your trading accounts (if applicable)

Kindly specify the **trading account number** you wish to close when submitting your request.

If you would like to close your **entire profile**, please note that your registered **email address will no longer be available for future use**.
