In which currencies can I open an account?

Dan Rikkou - 2026-02-26 - [Comments \(0\)](#) - [Onboarding](#)

Trading accounts can be opened in **USD** and **EUR**.

If you need to change your account base currency, INFINOX may be able to assist, subject to internal procedures.

For further assistance, please contact our Support Team via Live Chat, email at support@infinox.com or reach out to your Account Manager.
